Bill No.:	SJR 44
Version:	INT
Request No.	2679
Author:	Sen. Sacchieri
Date:	01/28/2026

Bill Analysis

SJR 44 submits to a vote of the people a constitutional amendment that modifies the voting thresholds to levy a tax, increase a tax, and issue debt. The threshold is increased from simple majority of voters in an election to 2/3's of voters in an election. This threshold shall also apply to any political subdivision that seeks to issue debt, levy a tax, extend the levy of a tax, or increase the rate of an existing tax.
