**Bill Summary and
Fiscal Analysis:**

SB 1224 states that notifications provided to victims regarding pardons and paroles are to be provided by email to the last-known email address of the victim or representatives of the victim.

The measure yields no fiscal impact to state revenue. The Pardon and Parole Board estimates a cost savings of approximately \$17,000 annually in postage and shipping supplies, assuming all victim notifications were transitioned to electronic delivery.

Fiscal impact provided by the Pardon and Parole Board.
