<b>House Author:</b>	
<b>FY'27 Impact:</b>	<b>Subject to the Availability of Funding</b>
<b>Full Year Impact:</b>	<b>Subject to the Availability of Funding</b>

**Bill Summary and  
Fiscal Analysis:**

SB 1344 establishes the Insulin Access and Affordability Program at the State Department of Health. The purpose of the program is to increase patient access to affordable insulin in this state, increase marketplace competition, and address shortages in the market for generic insulin.

OSDH shall use appropriated funds to provide financial support to a nonprofit manufacturer of biosimilar insulin. The fiscal impact of this measure is subject to Legislative appropriations.
