**Bill Summary and
Fiscal Analysis:**

SB 1386 directs the Supreme Court to implement a pilot project with policies that govern court audio and video recording, broadcasting, and livestreaming and directs the Administrative Office of the Courts to develop the guidelines. The measure states that the pilot project must be implemented in a minimum of 12 courtrooms with preference to courtrooms without a court reporter.

The fiscal impact of the measure for the first year of implementation is \$1,425,688 with costs including hardware costs and initial software setup and support. The annual recurring fiscal impact is \$4,322,283 consisting of costs related to the ongoing hardware support, software support, live captioning and additional personnel to operate and maintain the provisions of the measure.

Fiscal impact provided by the District Court.
