Fiscal Analysis:**

SB 1411 modifies the Oklahoma Charter Schools Act requiring charter school boards to provide public comment periods, post Oklahoma Open Records Act procedures on its website, and submit to its sponsor an annual report about compliance with such requirements. The bill also requires a sponsor to post on its website and provide to a charter school's governing board the results of an annual oversight and performance review. The measure provides for corrective actions by both the sponsor and the SCSB.

SCSB reports that an additional FTE, at a cost of \$115,000 in salary and benefits, is necessary to effectively monitor and ensure compliance with the components of SB 1411.

Fiscal Impact provided by the Statewide Charter School Board.
