Bill Summary and Fiscal Analysis:

SB 150 provides that it shall be unlawful for a person to store a firearm in a manner that allows a minor to have unsupervised access to the firearm. Firearms that are not in use must be secured in a locked container or by a device or mechanism, other than the firearm safety, designed to render the firearm inaccessible or temporarily inoperable. Any person convicted of violating the provisions of this measure shall be guilty of a misdemeanor and subject to a maximum term of imprisonment of 1 year within the county jail, a maximum fine of \$500.00, or both. If the violation led to the injury of a minor or another person, the person shall be guilty of a felony and be punished by a term of imprisonment of 2-20 years within the Department of Corrections, a maximum fine of \$5,000.00, or both. The Department does not anticipate any fiscal impact that could not be absorbed by their current budget. Any additional revenue collections from fines would be dependent on the number of convictions.
