

Senate Fiscal Summary
2nd Session of the 60th Legislature

Senate Bill 1714

Version:	INT
Agency:	All
Senate Author:	Jett
House Author:	
FY'27 Impact:	Undeterminable agency savings
Full Year Impact:	Undeterminable agency savings

**Bill Summary and
Fiscal Analysis:**

SB1714 directs each state agency to prioritize and implement viable cost-saving suggestions, requires any agency rejecting a suggestion to forward such suggestions to the Office of Management and Enterprise Services for statewide review and potential cross-agency adoption, increases the financial reward given to state employees that suggest and have implemented a cost-saving plan, directs each state agency to authorize non-cash recognition and rewards, provides that cost-saving suggestions shall be afforded similar protections provided to whistleblowers, directs state agencies to submit a report detailing all cost-saving suggestions received and evaluated as well as any savings achieved, creates the Statewide Cost Savings Incentive Fund, and creates the Incentive Awards for State Employees Committee.

SB1714 would have an undeterminable positive fiscal impact derived from agency savings.
