**Bill Summary and  
Fiscal Analysis:**

SB 1891 creates the Oklahoma Teacher-Led Curriculum Development Act, and directs the State Department of Education to establish a curriculum consortium.

SDE states that the measure is intended, per the author, to create a program that functions on a volunteer basis. However, if SDE or the Legislature wished to expand the program to a requirement it could incur an at present unknown cost. As the program is volunteer-based the measure has no impact.

Fiscal Impact submitted by the State Department of Education.
