Bill Summary and Fiscal Analysis:

SB 2177 mandates that any special election authorizing bonds or the levy of a tax to be called on a state or federal election day in November in an odd- or even-numbered year.

The SEB recommends at least one additional precinct official (\$200 per poll worker) in each of the split precincts included in these bond elections authorized by the bill. There may also be additional Absentee Voting Board members (\$200 each) recommended for the counties affected by the additional bond elections to mitigate errors and long lines during early voting. These are not mandatory costs, but the SEB anticipates these expenses could possibly be incurred.
