

Senate Fiscal Summary

1st Session of the 60th Legislature

Senate Bill 387

Version:	INT
Agency:	OCAST
Senate Author:	Seifried
House Author:	
FY'26 Impact:	\$3,200
Full Year Impact:	\$3,200

Bill Summary and Fiscal Analysis:

This bill modifies the definition of “eligible student” for the STEM Workforce Pipeline Program.

It is difficult to determine the exact fiscal impact due to the expanded qualifications to the program. Data supports that expansion would lead to more applications to the program. This will lead to an increase in the cost of program evaluation and selection recommendations. OCAST estimates the program could see a 20% increase in applications. Based on the FY 25 rate, a 20% increase in applications would result in a fiscal impact of \$3,200.
