

Senate Fiscal Summary
1st Session of the 60th Legislature

Senate Bill 620

Version:	INT
Agency:	Oklahoma Department of Environmental Quality; Department of Agriculture
Senate Author:	Jett
House Author:	
FY'26 Impact:	\$0
Full Year Impact:	\$0

**Bill Summary and
Fiscal Analysis:**

SB 620 requires any person or entity authorized to commence industrial, municipal, and commercial operations in the state to disclose the use of biosolids when labeling their products, and display signage on their property where biosolids are utilized and requires full disclosure of the use of biosolids be given to any consumer who purchases an agricultural crop or vegetative material for any agricultural purpose.

The Department of Agriculture, Food, and Forestry does not expect a fiscal impact. A fiscal impact from the Department of Environmental Quality is pending.
