

BILL/VERSION:	SB 681 / ENGROSSED	ANALYST: CJ
AUTHORS:	Sen. Jech / Rep. Johns	DATE: 3/28/2025
TAX(ES):	Ad Valorem	
SUBJECT(S):	Notice of property valuation	
EFFECTIVE DATE:	November 1, 2025	Emergency <input type="checkbox"/>

ESTIMATED REVENUE IMPACT:

FY26: No impact to state revenue but may indirectly impact local revenues.

ANALYSIS: SB 681 proposes to amend 68 O.S. § 2876(B) by requiring that for qualified homestead properties, the property tax notice must include information about the limit on the fair cash value outlined in Section 8C of Article X of the Oklahoma Constitution (i.e., “Senior Freeze”). The limitation is available to taxpayers 65 years of age or older with a total household income below the Housing and Urban Development median income for their respective county. The legislation has no direct impact on state revenue but may indirectly result in a reduction of revenue to local taxing jurisdictions.

Currently, 83,782 homesteads have the “Senior Freeze” applied. Based on data from the U.S. Census, an estimated 170,275 additional homesteads may qualify based on age and income requirements but have not applied for unknown reasons. Including information about the fair cash value limitation on the notice of valuation change could raise awareness and encourage more households to apply. This may subsequently result in a loss in potential growth revenue to local taxing jurisdictions.
