1        5. After a period of fifteen (15) months if a parent has not

24            capable of providing the child with a stable and

1 permanent environment, and the removal of the child

4 of the child because the child has substantial  
5 psychological ties to the foster parents,

6 d. the child is not capable of achieving stability if  
7 placed in a family setting, or

8 e. the child is an unaccompanied, refugee minor and the

10 legal issues or compelling foreign policy issues; or

10 in detail in English and were fully understood by the  
11 parent or that the consent was translated into a  
12 language that the parent understood.

13 b. A voluntary consent for termination of parental rights  
14 is effective when it is signed and may not be revoked  
15 except upon clear and convincing evidence that the  
16 consent was executed by reason of fraud or duress.

17 c. However, notwithstanding the provisions in this  
18 paragraph, in any proceeding for a voluntary

17                    correct the condition;
- 18       6. A finding that:

- 22           a. the parent has a diagnosed cognitive disorder, an
- 23                 extreme physical incapacity, or a medical condition,

4 b. allowing the parent to have custody would cause the  
5 child actual harm or harm in the near future.

6 A parent's refusal or pattern of noncompliance with treatment,  
7 therapy, medication, or assistance from outside the home can be used  
8 as evidence that the parent is incapable of adequately and  
9 appropriately exercising parental rights, duties, and  
10 responsibilities.

11 A finding that a parent has a diagnosed cognitive disorder, an  
12 extreme physical incapacity, or a medical condition, including

3 unreasonable absence of the parent from the child or an unreasonable  
4 failure by the parent to visit or communicate in a meaningful way  
5 with the child;

6 16. A finding that a child ~~four (4) years of age or older at~~  
7 ~~the time of placement has been placed in foster care by the~~  
8 ~~Department of Human Services for fifteen (15) of the most recent~~  
9 ~~twenty-two (22) months preceding the filing of the petition or~~  
10 ~~motion for termination of parental rights and the child cannot, at~~  
11 ~~the time of the filing of the petition or motion, be safely returned~~

- 15 b. ~~the date that is sixty (60) days after the date on~~  
16 ~~which the child is removed from the home~~

17 has been in foster care for not less than fifteen (15) months of the  
18 most recent twenty-two (22) months and that the parent has not  
19 corrected the circumstances which led the child to be adjudicated to  
20 be a deprived child, unless:

- 21 a. a parent has made substantial progress toward  
22 eliminating the problem that caused the child's  
23 placement in foster care, it is likely that the child  
24 will be able to safely return to the parent's home

- 1           within three (3) months, and the child's return to the  
2           parent's home will be in the child's best interests,  
3       b. the child has a close and positive relationship with a  
4           parent and a permanent plan that does not include  
5           termination of parental rights will provide the most  
6           secure and appropriate placement for the child,  
7       c. the child is fourteen (14) years of age or older, is  
8           firmly opposed to termination of parental rights, and

10           with an adoptive family,  
11       d. a parent is terminally ill but in remission, does not  
12           want parental rights to be terminated, and has  
13           designated a guardian for the child,  
14       e. the child is not capable of functioning if placed in a  
15           family setting. In such a case, the court shall  
16           reevaluate the status of the child every ninety (90)  
17           days unless there is a court determination that the  
18           child cannot be placed in a family setting,

22       g. adoption is not an appropriate plan for the child,  
23       h. the parent's incarceration constitutes the primary

1 termination of parental rights is not in the child's  
2 best interest,

3 i. the parent's participation in a court-ordered  
4 residential substance abuse treatment program  
5 constitutes the primary factor in the child's  
6 placement in substitute care and termination of  
7 parental rights is not in the child's best interest,

8 j. for purposes of this paragraph, a child shall be  
9 considered to have entered foster care on the earlier  
10 of:

11 (1) the adjudication date, or

12 (2) the date that is sixty (60) days after the date  
13 on which the child is removed from the home, or

14 k. the court may also consider:

15 (1) circumstances of the failure of the parent to  
16 develop and maintain a parental bond with the  
17 child in a meaningful, supportive manner, and

18 (2) whether allowing the parent to have custody would  
19 likely cause the child actual serious  
20 psychological harm or harm in the near future as  
21 a result of the removal of the child from the  
22 substitute caregiver due to the existence of a  
23 strong and positive bond between the child and  
24 caregiver; and

1 17. A finding that a child younger than four (4) years of age  
2 at the time of placement has been placed in foster care by the  
3 Department of Human Services for at least six (6) of the twelve (12)  
4 months preceding the filing of the petition or motion for  
5 termination of parental rights and the child cannot be safely  
6 returned to the home of the parent.

7 a. For purposes of this paragraph, a child shall be  
8 considered to have entered foster care on the earlier  
9 of:

- 10 (1) the adjudication date, or  
11 (2) the date that is sixty (60) days after the date  
12 on which the child is removed from the home.

13 b. For purposes of this paragraph, the court may  
14 consider:

- 15 (1) circumstances of the failure of the parent to  
16 develop and maintain a parental bond with the  
17 child in a meaningful, supportive manner, and  
18 (2) whether allowing the parent to have custody would  
19 likely cause the child actual serious  
20 psychological harm or harm in the near future as  
21 a result of the removal of the child from the  
22 substitute caregiver due to the existence of a  
23 strong, positive bond between the child and  
24 caregiver.

1 C. An order directing the termination of parental rights is a  
2 final appealable order.

3 D. The provisions of this section shall not apply to adoption  
4 proceedings and actions to terminate parental rights which do not  
5 involve a petition for deprived status of the child. Such  
6 proceedings and actions shall be governed by the Oklahoma Adoption  
7 Code.

8 SECTION 6. AMENDATORY 10A O.S. 2021, Section 2-2-104, is  
9 amended to read as follows:

10 Section 2-2-104. A. A preliminary inquiry shall be conducted  
11 to determine whether the interests of the public or of the child who  
12 is within the purview of the Oklahoma Juvenile Code require that  
13 further court action be taken. If it is determined by the  
14 preliminary inquiry that no further action be taken and if agreed to  
15 by the district attorney, the intake worker may make such informal  
16 adjustment without a petition.

17 B. In the course of the preliminary inquiry, the intake worker  
18 shall:

19 1. Hold conferences with the child and the parents, guardian or  
20 custodian of the child for the purpose of discussing the disposition  
21 of the referral made;

22 2. Interview such persons as necessary to determine whether the  
23 filing of a petition would be in the best interests of the child and  
24 the community;

1 3. Check existing records of any district court or tribal  
2 court, law enforcement agencies, Office of Juvenile Affairs, and  
3 Department of Human Services;

4 4. Obtain existing mental health, medical and educational  
5 records of the child with the consent of the parents, guardian or  
6 custodian of the child or by court order; and

7 5. Administer any screening and assessment instruments or refer  
8 for necessary screening and assessments to assist in the  
9 determination of any immediate needs of the child as well as the  
10 immediate risks to the community. All screening and assessment  
11 instruments shall be uniformly used by all intake workers, including  
12 those employed by juvenile bureaus, and shall be instruments  
13 specifically prescribed by the Office of Juvenile Affairs.

14 C. Upon review of any information presented in the preliminary  
15 inquiry, the district attorney may consult with the intake worker to  
16 determine whether the interests of the child and the public will be  
17 best served by the dismissal of the complaint, the informal  
18 adjustment of the complaint, or the filing of a petition.

19 D. ~~Informal~~ If a child is charged with a delinquent act as a  
20 result of an offense which would be a misdemeanor if committed by an  
21 adult, informal adjustment shall be provided to the child, pursuant  
22 to the guidelines in subsection E of this section. If a child is  
23 charged with a delinquent act as a result of an offense which would  
24 be a felony if committed by an adult, informal adjustment may be

1 provided to the child, pursuant to the guidelines in subsection E of  
2 this section, by the intake worker only where the facts reasonably  
3 appear to establish prima facie jurisdiction and are admitted and  
4 where consent is obtained from the district attorney, the parent of  
5 the child, legal guardian, legal custodian, or legal counsel, if  
6 any, and the child.

7 E. The informal adjustment is an agreement whereby the child  
8 agrees to fulfill certain conditions in exchange for not having a  
9 petition filed against the child. The informal adjustment shall be  
10 completed within a period of time not to exceed six (6) months and  
11 shall:

12 1. Be voluntarily entered into by all parties;

13 2. Be revocable by the child at any time by a written  
14 revocation;

15 3. Be revocable by the intake worker in the event there is  
16 reasonable cause to believe the child has failed to carry out the  
17 terms of the informal adjustment or has committed a subsequent  
18 offense;

19 4. Not be used as evidence against the child at any  
20 adjudication hearing;

21 5. Be executed in writing and expressed in language  
22 understandable to the persons involved; and

23 6. Become part of the juvenile record of the child.

24

1       ~~E.~~ F. The informal adjustment agreement under this section may  
2 include, among other suitable methods, programs and procedures, the  
3 following:

4           1. Participation in or referral to counseling, a period of  
5 community service, drug or alcohol education or treatment,  
6 vocational training or any other legal activity which in the opinion  
7 of the intake officer would be beneficial to the child and family of  
8 the child;

9           2. Require the child to undergo a behavioral health evaluation  
10 and, if warranted, undergo appropriate care or treatment;

11           3. Restitution providing for monetary payment by the parents or  
12 child to the victim who was physically injured or who suffered loss  
13 of or damage to property as a result of the conduct alleged. Before  
14 setting the amount of restitution, the intake officer shall consult  
15 with the victim concerning the amount of damages; or

16           4. Informal adjustment projects, programs and services may be  
17 provided through public or private agencies.

18 If the intake worker has reasonable cause to believe that the child  
19 has failed to carry out the terms of the adjustment agreement or has  
20 committed a subsequent offense, in lieu of revoking the agreement,  
21 the intake worker may modify the terms of the agreement and extend  
22 the period of the agreement for an additional six (6) months from  
23 the date on which the modification was made with the consent of the  
24 child or counsel of the child, if any.

1        ~~F.~~ G. If an informal adjustment is agreed to pursuant to  
2 subsection D of this section, the informal adjustment agreement may  
3 require the child to pay a fee equal to no more than what the court  
4 costs would have been had a petition been filed. The child shall  
5 remit the fee directly to the agency responsible for the monitoring  
6 and supervision of the child. If the supervising agency is a  
7 juvenile bureau, then the fee shall be remitted to a revolving fund  
8 of the county in which the juvenile bureau is located to be  
9 designated the "Juvenile Deferral Fee Revolving Fund" and shall be  
10 used by the juvenile bureau to defray costs for the operation of the  
11 juvenile bureau. In those counties without juvenile bureaus and in  
12 which the Office of Juvenile Affairs or one of their contracting  
13 agencies provides the monitoring and supervision of the juvenile,  
14 the fee shall be paid directly to the Office of Juvenile Affairs and  
15 shall be used to defray the costs for the operation of the Office of  
16 Juvenile Affairs.

17        H. The Office of Juvenile Affairs shall conduct an assessment  
18 for any child who successfully completes an informal adjustment  
19 utilizing program evaluations and data collection. The collected  
20 data may include, but shall not be limited to:

- 21        1. Recidivism;
- 22        2. School engagement;
- 23        3. Social engagement; and
- 24        4. Graduation rates.
