

1 **SENATE FLOOR VERSION**

2 February 26, 2026

3 **AS AMENDED**

4 SENATE BILL NO. 1673

5 By: McIntosh, Guthrie,  
6 Sacchieri, Grellner,  
7 Standridge, Weaver, and  
8 Stanley

9 [ health benefit plans - treatment - medical  
10 necessity - denials - access to care - reimbursement  
11 - liability - presumption - rules and regulations -  
12 complaints - fines and penalties - requests - civil  
13 action - noncodification - codification - effective  
14 date ]

15 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

16 SECTION 1. NEW LAW A new section of law not to be  
17 codified in the Oklahoma Statutes reads as follows:

18 This act shall be known and may be cited as the "Prosthetic  
19 Access and Accountability Act 2026".

20 SECTION 2. NEW LAW A new section of law to be codified  
21 in the Oklahoma Statutes as Section 6060.23 of Title 36, unless  
22 there is created a duplication in numbering, reads as follows:

23 A. As used in this act:

24 1. "Covered prosthetic benefit" means any prosthesis, orthosis,  
or related service listed as a covered benefit under the enrollee's

1 health benefit plan including, but not limited to, benefits listed  
2 under durable medical equipment, orthotics, and assistive devices;

3 2. "Health benefit plan" means the same as defined in Section  
4 4405.1 of Title 36 of the Oklahoma Statutes **but does not include a**  
5 **flexible benefit plan provided pursuant to Section 1342 of Title 74**  
6 **of the Oklahoma Statutes;**

7 3. "Orthosis" means the same as defined in Section 3002 of  
8 Title 59 of the Oklahoma Statutes;

9 4. "Orthotist" means the same as defined in Section 3002 of  
10 Title 59 of the Oklahoma Statutes;

11 5. "Physician-prescribed device" means any prosthetic or  
12 orthosis device ordered by a provider who is licensed in this state  
13 to prescribe prosthetics;

14 6. "Prosthesis" means the same as defined in Section 3002 of  
15 Title 59 of the Oklahoma Statutes;

16 7. "Prosthetist" means the same as defined in Section 3002 of  
17 Title 59 of the Oklahoma Statutes; and

18 8. "Unreasonable delay" means any failure to approve, deny, or  
19 respond to a coverage request within two (2) business days if marked  
20 urgent by the prescribing provider, and within ten (10) business  
21 days for standard requests.

22 B. 1. For a health benefit plan offered in this state that  
23 includes covered prosthetic benefits, the goal of treatment shall be  
24 the restoration of physical function to the greatest extent

1 possible, as determined by the treating provider. Treatment shall  
2 not be withheld due to discrimination based on disability.

3 2. Medical necessity shall be based on the patient's functional  
4 goals and shall not be limited by diagnosis, age, disability, or  
5 generalized coverage tiers. Medical necessity shall be determined  
6 by the enrollee's treating provider to meet the medical needs of the  
7 enrollee and return to or maintain full functional abilities  
8 including activities of daily living, essential job-related  
9 activities, showering and bathing, and physical activities.

10 3. Denials based on cost or classification as deluxe,  
11 convenience, or nonessential shall be presumed invalid if the  
12 physician-prescribed device was prescribed to meet documented  
13 functional needs.

14 C. A health benefit plan that covers prosthetic benefits shall  
15 ensure access to medically necessary clinical care and to prostheses  
16 and orthoses from an adequate number of orthotists and prosthetists  
17 within the network in this state. If covered prosthetic benefits  
18 are unavailable from an in-network provider due to the geographic  
19 location of the patient, the health benefit plan shall provide  
20 processes to refer a member to an out-of-network provider and shall  
21 fully reimburse the out-of-network provider at a mutually agreed  
22 upon rate less member cost sharing determined on an in-network  
23 basis.

24

1 D. 1. A health benefit plan that covers prosthetic benefits  
2 and denies or unreasonably delays a physician-prescribed device  
3 shall be liable for any personal injury, financial loss, or harm  
4 proximately caused by the denial or delay.

5 2. If an enrollee suffers a fall, injury, hospitalization, or  
6 other adverse health event during a period in which a physician-  
7 prescribed device was denied or delayed, a rebuttable presumption of  
8 health benefit plan negligence shall apply. The health benefit plan  
9 shall be liable for:

- 10 a. compensatory damages, including medical costs and lost  
11 income,
- 12 b. noneconomic damages for pain, suffering, or diminished  
13 quality of life to the full extent of current law, and
- 14 c. punitive damages in cases of bad faith or willful  
15 disregard of medical judgment.

16 E. If a health benefit plan or utilization reviewer denies,  
17 modifies, or overrides a claim for a physician-prescribed device and  
18 the patient experiences harm as a result, the insurer shall assume  
19 medical liability as if it were the treating provider. Such  
20 liability includes adherence to the standard of care under this act,  
21 and any applicable governance of provider conduct. A provider shall  
22 not be held liable for any harm resulting from an insurer's denial,  
23 modification, or override of the claim for a physician-prescribed  
24 device.

1 F. The Insurance Commissioner shall have the authority to  
2 promulgate rules and regulations for the implementation of this act.

3 G. The Commissioner shall:

4 1. Enforce the provisions of this section;

5 2. Investigate complaints related to this section; and

6 3. Maintain and publish annual reports on covered prosthetic  
7 benefit denials, appeals, and adverse patient outcomes, provided no  
8 information in this subsection is in violation of the Health  
9 Insurance Portability and Accountability Act of 1996.

10 H. Health benefit plans in violation of this section may be  
11 subject to:

12 1. Fines of up to Five Thousand Dollars (\$5,000.00) per  
13 violation;

14 2. Daily penalties of One Thousand Dollars (\$1,000.00) for  
15 unreasonable delays; or

16 3. Revocation or suspension of certificate of authority in  
17 repeated cases.

18 I. Coverage requests for prostheses and orthoses shall be  
19 reviewed within two (2) business days if marked urgent by the  
20 prescribing provider, or within ten (10) business days for standard  
21 requests. Failure to respond in writing within such time frames  
22 shall result in automatic approval of the request.

23 J. Any enrollee harmed by violation of this section shall have  
24 the right to bring a civil action in district court including, but

1 not limited to, for actual damages, injunctive relief, and attorney  
2 fees.

3 SECTION 3. This act shall become effective January 1, 2027.
