Research Analysis

The CCR A to HB 2257 makes minor changes to the measure.

As amended, HB 2257 clarifies that a scholarship recipient's college enrollment fees must be covered through the Oklahoma National Guard Educational Assistance Program upon review and approval by the State Regents and the State Military Department. The measure further requires scholarship recipients to have a Military Occupational Specialty or Air Force Specialty Code to maintain scholarship eligibility after the first semester.

Lastly, the Military Department is allowed to establish a cap on the number of recipients per semester. The Department is also required to promulgate rules for eligibility and the application process.

The CCR also adds an emergency.
