Research Analysis

The proposed policy committee substitute to HB 2265 adds an exam requirement to the application process for notaries public. The Office of the Oklahoma Secretary of State is to administer an exam to all notary public applicants based on a course offered by the Office that covers the laws, rules, procedures, and ethics relevant to notary public duties. Additionally, the measure requires notaries public to maintain a journal of record for all notarial acts for 10 years. Entries in the journal must contain certain information as laid out in the measure.
