**Research Analysis**

HB 2802, as introduced, exempts the State Board of Pharmacy from following certain licensure requirements if an applicant has pending criminal charges or a conviction.

Prepared By: Autumn Mathews

**Fiscal Analysis**

HB2802 adds the State Board of Pharmacy (SBP) to a list of entities exempt from certain statutory licensing requirements. The SBP is a non-appropriated entity and officials with the SBP do not anticipate any need for additional funds. Therefore, in its current, there is no anticipated impact to state budget or appropriations as a result of this measure.
