**Research Analysis**

HB 3147 creates the Route 66 Centennial License Plate in consultation with the Oklahoma Route 66 Centennial Commission. Service Oklahoma is authorized to enter into a licensing agreement with the Oklahoma Route 66 Centennial Commission for any licensing fees which may be required in order to use the Oklahoma Route 66 Centennial Commission logo or design. The licensing agreement authorizes a payment of up to \$20 per license plate issued to be paid to the Oklahoma Route 66 Association.

**Fiscal Analysis**

House Bill 3147 creates a new special license plate within the existing specialty plate program administered by Service Oklahoma. The measure provides for associated licensing agreement fees, and any administrative duties associated with the additional plate are expected to be absorbed within existing budgetary resources. Therefore, the measure is not anticipated to have a direct fiscal impact on the state budget or appropriations.
