Research Analysis

The policy committee substitute to HB 3277 allows inspectors from the National Insurance Crime Bureau to conduct inspections of out-of-state vehicles offered for sale at salvage pools, salvage disposal sales, or an auction.

Fiscal Analysis

The proposed policy committee substitute to HB 3277 merely modifies procedural aspects of certain existing duties related to the inspection of out-of-state vehicles and does not authorize new spending or alter state revenue sources. Therefore, the measure is not anticipated to have a direct fiscal impact on the state budget or appropriations.
