Research Analysis

The policy committee recommendation to HB 3306 establishes that a candidate committee must file a Statement of Organization with the Ethics Commission no later than 10 days after the candidate accepts or expends \$400. Previously the candidate did not have to file unless they accepted or expended more than \$1,000.

The proposed policy committee recommendation changes the relevant monetary threshold to \$400. The measure does not materially alter the prior fiscal impact statement. Therefore, the measure is not anticipated to have a direct fiscal impact on the state budget or appropriations.
