

BILL SUMMARY
2nd Session of the 60th Legislature

| | |
|------------------------|----------------------|
| Bill No.: | HB 4358 |
| Version: | INT |
| Request Number: | 14747 |
| Author: | Pro Tem Moore |
| Date: | 2/7/2026 |
| Impact: | No Impact |

Research Analysis

HB 4358, as introduced, limits screen time for students in grades pre-k – 5 to one hour per school day. Exemptions are listed for students with individualized education programs and students who need assistive technology.

Prepared By: Emily Byrne

Fiscal Analysis

The measure in its current form would not result in a negative fiscal impact on the state budget or appropriations.

Prepared By: Cole Stout, House Fiscal Staff

Other Considerations

None.
