Research Analysis

HB 4484 allows Corporation Commissioners, division heads, emergency responders, and field inspectors working assigned areas and not stationed at a central office, to be permitted to use a state-owned or state-leased vehicle to provide transportation between the residence of the employee and the assigned place of employment as authorized by the Commissioners.

Fiscal Analysis

House Bill 4484 amends statutory language to permit certain state employees to drive state-owned or state-leased vehicles under certain circumstances. The measure does not appropriate state funds, increase administrative workload, or alter revenue sources. Therefore, the measure is not anticipated to have a direct fiscal impact on the state budget or appropriations.
