Research Analysis

Engrossed SB 523 authorizes sheriffs, deputy sheriffs, and reserve deputy sheriffs, when assigned to perform duties in counties outside of their jurisdiction, to have the same powers and duties as they do in their original jurisdiction. Liability for the conduct of any sheriff, deputy sheriff, and reserve sheriff remains with the county of original jurisdiction.

Fiscal Analysis

Engrossed SB 523 effectively extends jurisdictional power to sheriffs, deputy sheriffs, and reserve deputy sheriffs when they are assigned to perform professional duties in counties outside of their original jurisdiction. The measure does not mandate any action or expenditure by a state agency. Therefore, the measure is not anticipated to have a direct fiscal impact on the state budget or appropriations.
