

Bill Summary
2nd Session of the 60th Legislature

Bill No.:	SB 1264
Version:	INT
Request No.	2792
Author:	Sen. Gillespie
Date:	12/17/2025

Bill Analysis

SB 1264 expands “great bodily injury” to include prolonged pain or significant discomfort, concussions, and injuries to more than 10% of the body. The measure also updates statutory language relating to domestic assault to match the felony classification system and conforms multiple versions of statute.
