**Bill Analysis**

SB 1312 directs Service Oklahoma to establish and administer the Automatic Vehicle Registration Pre-Payment Program. This program shall allow for individuals to use automatic payment methods to cover all fees, taxes, and other payments due upon the renewal of registration for a vehicle owned by such individual. Prepaid funds received shall be held in a designated clearing account administered jointly by Service Oklahoma and the Oklahoma Tax Commission. Prepaid funds shall be refunded, transferred, or used to pay remaining outstanding fines and fees if the vehicle's ownership changes.
