

Bill Summary
2nd Session of the 60th Legislature

Bill No.:	SB 1848
Version:	INT
Request No.	2891
Author:	Sen. Sacchieri
Date:	0120/2026

Bill Analysis

SB 1848 prohibits data processing centers from receiving incentives or exemptions as they relate to the Local Development Act. The measure also moves forward the sunset for data centers grandfathered in the 5-year manufacturing ad valorem exemption to 2026 from 2036, and prohibits computer systems services from the exemption after 2026.
