

Bill Summary
1st Session of the 60th Legislature

Bill No.:	SB 226
Version:	INT
Request No.	479
Author:	Sen. Hicks
Date:	12/31/2024

Bill Analysis

SB 226 directs the Oklahoma Health Care Authority to establish a reimbursement methodology for the state Medicaid program that reimburses obstetrical care at hospitals designated as Baby-Friendly by Baby-Friendly USA at a rate equal to the product of the standard reimbursement rate for obstetrical care at hospitals multiplied by 1.25.
