#### **Fiscal Analysis:**

HB2288 is designated as a non-fiscal bill.

As of the June 30, 2024 valuation and upon adoption of the proposal, the Teachers' Retirement System of Oklahoma (TRSO) can expect an increase of \$488 million in unfunded actuarial accrued liability (UAAL), which decreases the funded ratio by about 1.2%. This would result in a 0.21% increase in the normal cost and an additional 1 year for the funding period.

Fiscal impact provided by TRSO.
