House Author:	
FY'27 Impact:	\$300,000 - \$400,000
Full Year Impact:	\$300,000 - \$400,000

**Bill Summary and
Fiscal Analysis:**

SB 1488 establishes a moratorium on the building or establishing of data centers until November 1, 2029. The Corporation Commission is directed to conduct a study on the potential impacts that data centers might have on the state, including the water supply of aquifers, streams, lakes or wastewater treatment plants, and utility rates and property values. The Commission must also conduct a study on ideal locations for data centers.

The Corporation Commission shares a fiscal impact of \$300,000 to \$400,000 on the Public Utility Division (PUD) for the hiring of an outside consultant.

Fiscal impact provided by the Oklahoma Corporation Commission and Senate Fiscal Staff.
