Fiscal Analysis:**

SB 1982 defines several forms of unlawful pornography and establishes a felony for viewing, distributing, or producing such items. People guilty of such acts are subject to a maximum fine of \$250,000 and/or a term of imprisonment of 10-30 years.

The Department of Corrections notes any incarceration increases would be dependent on the number of future convictions, and the agency is unable to determine a fiscal impact. The Department has provided the marginal/incremental cost of an incarcerated inmate, which is \$67.26 per day or \$24,549.90 per year.
