Fiscal Analysis:**

SB 2100 states that any person who provides a false report accusing a person of a misdemeanor or felony will be guilty of misdemeanor or felony and subject to the same punishments as the provisions for the offense in the false report.

The Department of Corrections notes any incarceration increases would be dependent on the number of future convictions, and the agency is unable to determine a fiscal impact. The Department has provided the marginal/incremental cost of an incarcerated inmate, which is \$67.26 per day or \$24,549.90 per year.

Fiscal Impact provided by the Department of Corrections and Senate Fiscal Staff.
