4 services and monitoring service level metrics for all shared
5 services; and

6 20. Create the budget for the Information Services Division of
7 the Office of Management and Enterprise Services to be submitted to
8 the Legislature each year.

9 G. The State Governmental Technology Applications Review Board
10 shall provide ongoing oversight of the implementation of the plan of
11 action required in subsection D of this section. Any proposed
12 amendments to the plan of action shall be approved by the Board
13 prior to adoption.

14 H. 1. The Chief Information Officer shall act as the
15 Information Technology and Telecommunications Purchasing Director
16 for all state agencies and shall be responsible for the procurement
17 of all information technology and telecommunication software,
18 hardware, equipment, peripheral devices, maintenance, consulting
19 services, high technology systems, and other related information
20 technology, data processing, telecommunication and related
21 peripherals and services for all state agencies. The Chief
22 Information Officer shall establish, implement, and enforce policies
23 and procedures for the procurement of information technology and
24 telecommunication software, hardware, equipment, peripheral devices,

1 maintenance, consulting services, high technology systems, and other
2 related information technology, data processing, telecommunication
3 and related peripherals and services by purchase, lease-purchase,
4 lease with option to purchase, lease and rental for all state
5 agencies. The procurement policies and procedures established by
6 the Chief Information Officer shall be consistent with The Oklahoma
7 Central Purchasing Act.

8 2. The Chief Information Officer, or any employee or agent of
9 the Chief Information Officer acting within the scope of delegated
10 authority, shall have the same power and authority regarding the
11 procurement of all information technology and telecommunication
12 products and services as outlined in paragraph 1 of this subsection
13 for all state agencies as the State Purchasing Director has for all
14 acquisitions used or consumed by state agencies as established in
15 The Oklahoma Central Purchasing Act. Such authority shall,
16 consistent with the authority granted to the State Purchasing
17 Director pursuant to Section 85.10 of Title 74 of the Oklahoma
18 Statutes, include the power to designate financial or proprietary
19 information submitted by a bidder confidential and reject all
20 requests to disclose the information so designated, if the Chief
21 Information Officer requires the bidder to submit the financial or
22 proprietary information with a bid, proposal, or quotation.

23 I. The Information Services Division of the Office of
24 Management and Enterprise Services and the Chief Information Officer

1 shall be subject to the Oklahoma Central Purchasing Act for the
2 approval and purchase of all equipment, products, and services and
3 shall also be subject to the requirements of the Public Competitive
4 Bidding Act of 1974, the Oklahoma Lighting Energy Conservation Act
5 and the Public Building Construction and Planning Act. The Chief
6 Information Officer shall be authorized to delegate all or some of
7 the procurement of information technology and telecommunication
8 products and services and construction of facilities and
9 telecommunication networks to another state entity if the Chief
10 Information Officer determines it to be cost-effective and in the
11 best interest of the state. The Chief Information Officer shall
12 have authority to designate information technology and
13 telecommunication contracts as statewide contracts and mandatory
14 statewide contracts pursuant to Section 85.5 of Title 74 of the
15 Oklahoma Statutes and to negotiate consolidation contracts,
16 enterprise agreements and high technology systems contracts. Any
17 contract entered into by a state agency for which the Chief
18 Information Officer has not acted as the Information Technology and
19 Telecommunications Purchasing Director as required in this
20 subsection or subsection H of this section, shall be deemed to be
21 unenforceable and the Office of Management and Enterprise Services
22 shall not process any claim associated with the provisions thereof.
23 J. The Chief Information Officer shall establish, implement,
24 and enforce policies and procedure for the development and

1 procurement of an interoperable radio communications system for
2 state agencies. The Chief Information Officer shall work with local
3 governmental entities in developing the interoperable radio
4 communications system.

5 K. The Chief Information Officer shall develop and implement a
6 plan to utilize open source technology and products for the
7 information technology and telecommunication systems of all state
8 agencies.

9 L. All state agencies and authorities of this state and all
10 officers and employees of those entities shall work and cooperate
11 with and lend assistance to the Chief Information Officer and the
12 Information Services Division of the Office of Management and
13 Enterprise Services and provide any and all information requested by
14 the Chief Information Officer.

15 M. The Chief Information Officer shall prepare an annual report
16 detailing the ongoing net saving attributable to the reallocation
17 and consolidation of information technology and telecommunication
18 resources and personnel and shall submit the report to the Governor,
19 the Speaker of the Oklahoma House of Representatives, and the
20 President Pro Tempore of the Oklahoma State Senate.

21 N. For purposes of the Oklahoma Information Services Act,
22 unless otherwise provided for, "state agencies" shall include any
23 office, officer, bureau, board, commission, counsel, unit, division,
24 body, authority or institution of the executive branch of state

1 government, whether elected or appointed; provided, except with
2 respect to the provisions of subsection D of this section, the term
3 "state agencies" shall not include institutions within The Oklahoma
4 State System of Higher Education, the Oklahoma State Regents for
5 Higher Education and the telecommunications network known as OneNet.

6 O. As used in this section:

7 1. "High technology system" means advanced technological
8 equipment, software, communication lines, and services for the
9 processing, storing, and retrieval of information by a state agency;

10 2. "Consolidation contract" means a contract for several state
11 or public agencies for the purpose of purchasing information
12 technology and telecommunication goods and services; and

13 3. "Enterprise agreement" means an agreement for information
14 technology or telecommunication goods and services with a supplier
15 who manufactures, develops and designs products and provides
16 services that are used by one or more state agencies.

17 SECTION 2. This act shall become effective November 1, 2026.
