8 the L.L. Tisdale Expressway in Tulsa, Oklahoma.

9 The Authority shall publish a notice in a newspaper of general
10 circulation in the vicinity of an authorized turnpike project that
11 states that the Authority is seeking to commence project design on
12 the route. Such notice shall be published prior to seeking any
13 contract for the design of a new route of an authorized turnpike
14 project. Such notice shall be published for four (4) consecutive
15 weeks. The Authority shall also publish and maintain such notice on
16 its website for no less than four (4) consecutive weeks.

17 The Authority's approval of any contract to undertake the design
18 of a new route of an authorized turnpike project shall take place in
19 an open and public meeting held in compliance with the Oklahoma Open
20 Meeting Act. After such meeting, the Authority shall:

21 (A) Within ninety (90) days, submit a report electronically to
22 the Governor, the members of the Legislature, and to the elected
23 officials of any city or county where the new route shall be
24 located, inclusive of conceptual project maps and preliminary

1 project details. Such report shall also be published on the website
2 of the Authority,

3 (B) Within one hundred twenty (120) days, schedule and hold a
4 formal public meeting to provide a description of the new route and
5 preliminary project details, including the approximate location,
6 scope of work, and design elements.

7 (i) Notice of the public meeting shall be given electronically
8 by posting on the Authority's official website and by publication in
9 a newspaper of general circulation in the county where the new
10 route, or a major part of it, is to be located. The notice to be
11 published in a newspaper of general circulation shall be published
12 in four consecutive weekly issues of the newspaper, with the first
13 publication to be at least thirty (30) days prior to the public
14 meeting date. In addition to such notices, the Authority shall make
15 a good-faith effort to provide notice to all known property owners
16 within one-half (1/2) mile on each side of the new route. The
17 Authority shall use its discretion in selecting the method to
18 provide the notice to property owners, considering the number and
19 types of property interests of such owners.

20 (ii) The public meeting shall be held at a convenient location
21 that is as near to the new route as practical.

22 (iii) At the public meeting, any person may submit oral or
23 written statements and data about the new route. Reasonable limits
24 may be set upon the time allowed for oral statements.

1 (iv) The Authority shall also collect public comments through
2 an online portal with links to the portal shared at the public
3 meeting and on the website of the Authority. Such online portal
4 shall be open for use by the public thirty (30) days prior to the
5 public meeting,

6 (C) Within thirty (30) days of the public meeting, provide an
7 electronic report to the Governor, the Legislature, and the
8 Transportation Commission summarizing the oral and written
9 statements presented at the meeting, in addition to any data
10 received, including any economic impact reports and support or
11 opposition to a route offered by cities and counties where the new
12 route is to be located, and

13 (D) If the location of a new route changes based on the results
14 of the public meeting provided for in division (C) of this
15 subparagraph, electronically report such changes to the Governor,
16 the Legislature, the Transportation Commission, and to the elected
17 officials of cities and counties where the new route will be
18 located. Additional public meetings, conducted in accordance with
19 the provisions of division (C) of this subparagraph, may be
20 scheduled at the Authority's discretion.

21 Prior to the completion of the design of a new route of an
22 authorized turnpike project, the Authority shall electronically
23 submit to the Governor, the Legislature, and to the elected
24 officials of cities and counties where the new route will be

1 located, the independent approval of the Transportation Commission
2 as provided in Section 1701 of this title.

3 Legislative authorization for any new turnpike location enacted
4 after the effective date of this act, shall terminate five (5) years
5 after the effective date of the act authorizing such turnpike,
6 unless the Authority has, in an open and public meeting held in
7 compliance with the Oklahoma Open Meeting Act, approved a contract
8 to commence project design.

9 All access roads, interchanges, or lead roads connecting such
10 turnpikes with existing highways must be built by funds furnished by
11 the Authority.

12 The minimum and maximum wages for the construction of the roads,
13 highways and projects provided for in Sections 1701 through ~~1734~~
14 1736 of this title shall be in accordance with the schedules of
15 wages used or adopted by the Commission in construction of state
16 highways.

17 The Authority is hereby authorized to enter into contracts or
18 agreements with agencies and instrumentalities of other states or
19 the national government for construction, maintenance and operation
20 of interstate turnpikes or highways.

21 ~~The Authority is hereby required to construct and install~~
22 ~~automatic tollgates on the Will Rogers Turnpike at State Highway No.~~
23 ~~28 near Adair.~~

1 (f) To issue turnpike revenue bonds of the Authority, payable
2 solely from revenues, including the revenues accruing to the trust
3 fund created by Sections 1701 through 1734 of this title, for the
4 purpose of paying all or any part of the cost of any one or more
5 turnpike projects. Provided that any bonds issued for the
6 construction of the proposed turnpike referred to in subparagraphs
7 ~~(10)~~ (7), ~~(20)~~ (8), ~~(21)~~ (9), and ~~(22)~~ (10) of paragraph (e) of this
8 section shall be issued as one issue for all four of the proposed
9 turnpikes and shall be financed, constructed and operated under one
10 bond indenture.

11 (g) To fix and revise from time to time tolls for the use of
12 any turnpike projects.

13 Any common carrier having authority at the time of opening any
14 turnpike project to operate upon a highway approximately paralleling
15 the turnpike project shall be granted without further showing
16 authority to operate over the turnpike project to all municipalities
17 which such carrier is serving at the time the turnpike project is
18 opened to traffic. But nothing herein shall be construed as
19 granting any new operation rights to any common carriers.

20 (h) To acquire, hold, and dispose of real and personal property
21 in the exercise of its powers and the performance of its duties.

22 (i) To acquire in the name of the Authority by purchase or
23 otherwise on such terms and conditions and in such manner as it may
24 deem proper, or by exercise of the right of condemnation in manner

1 hereinafter provided, such public or private lands, including public
2 parks, playgrounds, or reservations, or parts thereof or rights
3 therein, rights-of-way, property, rights, easements, and interests,
4 as it may deem necessary for carrying out the provisions of Sections
5 1701 through ~~1734~~ 1736 of this title; provided, that all public or
6 private property damaged in carrying out the powers granted by
7 Sections 1701 through ~~1734~~ 1736 of this title shall be restored or
8 repaired and placed in its original condition as nearly as
9 practicable and the owner of such property be compensated in
10 accordance with the provisions of Sections 1706 through 1708 of this
11 title.

12 (j) To designate, except as is provided for herein, the
13 location, and establish, limit, and control such points of ingress
14 to and egress from each turnpike project as may be necessary or
15 desirable in the judgment of the Authority to insure the proper
16 operation and maintenance of such project, and to prohibit entrance
17 to such project from any point or points not so designated.

18 (k) To make and enter into all contracts and agreements
19 necessary or incidental to the performance of its duties and the
20 execution of its powers, and to employ consulting engineers,
21 attorneys, accountants, construction and financial experts,
22 superintendents, managers, and such other employees and agents as
23 may be necessary in its judgment, and to fix their compensation;
24 provided, that all such expenses shall be payable solely from the

1 proceeds of turnpike revenue bonds issued under the provisions of
2 Sections 1701 through ~~1734~~ 1736 of this title or from revenues;
3 provided, further, no attorney employed by the Authority, nor any
4 member of any law firm of which the attorney may be connected, shall
5 ever be paid any fee or compensation for any special or
6 extraordinary services.

7 (l) To receive and accept from any federal agency grants for or
8 in aid of the construction of any turnpike project, provided, the
9 acceptance of such grants will not reduce the amount of federal aid
10 for the construction, repair, or maintenance of farm-to-market roads
11 and other highways and bridges in this state; and to receive and
12 accept aid or contributions from any source of either money,
13 property, labor, or other things of value, to be held, used, and
14 applied only for the purposes for which such grants and
15 contributions may be made.

16 (m) To adopt such rules, and to do any and all things necessary
17 to comply with rules, regulations, or requirements of the ~~Bureau of~~
18 ~~Public Roads, Multistate Economic Development Regional Commission,~~
19 ~~as defined in Sections 1151 through 1153, inclusive, of Title 74 of~~
20 ~~the Oklahoma Statutes, Ozarka Region Commission~~ Federal Highway
21 Administration or any other federal agency administering any law
22 enacted by the Congress of the United States to aid or encourage the
23 construction of highways.

(n) To do all things necessary or convenient to carry out the powers expressly granted in Sections 1701 through ~~1734~~ 1736 of this title. The design standards for all paving shall comply with the design standards of the American Association of State Highway and Transportation Officials as modified by the ~~Oklahoma~~ Department of Transportation. All contracts for construction work on turnpike projects shall be let to the lowest responsible bidder, or bidders, after notice by publication in a newspaper published in the county where the work is to be done in two consecutive weekly issues of the newspaper. In all cases where more than eight (8) miles of construction is let at the same time and is not an advertisement for a surface-treatment-only project, such advertisement shall provide for bids on sections of the turnpike not to exceed eight (8) miles. If the project advertised is a surface-treatment-only project of more than twenty (20) miles of road, the advertisement shall provide for bids on sections of the road no longer than twenty (20) miles, as well as bids on the project as a whole. Subject to the following restrictions and limitations, the Authority shall, when contracting for construction work, divide such work into paving projects, bridge projects, including underpasses and overpasses, and earthmoving or miscellaneous projects, according to the type of work to be done. Each project shall be let under a separate contract or contracts and no contract or project shall include more than one of such types of construction work. Each contract for construction work shall

1 contain a provision that ninety percent (90%) of all labor employed
2 on the project shall be residents of Oklahoma. However, contracts
3 for bridges may include earthwork and structures for the approaches
4 thereto.

5 (o) To adopt such rules, and to do any and all things necessary
6 to comply with all applicable federal and state laws and permits
7 related to the design, construction, maintenance, and operation of
8 turnpike projects authorized by this section.

9 (p) It shall be unlawful for any member, officer or employee of
10 the Authority to transact with the Authority, either directly or
11 indirectly, any business for profit of such member, officer, or
12 employee; and any person, firm, or corporation knowingly
13 participating therein shall be equally liable for violation of this
14 provision.

15 The term "business for profit" shall include, but not be limited
16 to, the acceptance or payment of any fee, commission, gift, or
17 consideration to such member, officer, or employee.

18 Violation of this provision shall constitute a Class D1 felony
19 offense punishable by incarceration as provided for in subsections B
20 through F of Section 20N of Title 21 of the Oklahoma Statutes, or a
21 fine of not less than Five Hundred Dollars (\$500.00) and not more
22 than Five Thousand Dollars (\$5,000.00), or both such imprisonment
23 and fine.

1 ~~(p)~~ (q) In the event of a national emergency, the Authority,
2 subject to any vested rights or claims, may enter into contracts
3 with the federal government or any authorized agency thereof to
4 allow the federal government or agency thereof to use such turnpikes
5 partly or exclusively during the existence of such emergency,
6 provided, that the federal government agrees in such contract to
7 pay, during the term of such contract, an amount sufficient, when
8 added to any tolls collected, to meet all operating and maintenance
9 expenses, interest payments, and the minimum sinking fund and
10 reserve requirements of the trust agreement for the turnpike covered
11 by the contract.

12 ~~(q)~~ (r) All meetings of the Authority shall be open public
13 meetings, and all records shall be public records, except when
14 considering personnel or litigation.

15 SECTION 2. This act shall become effective November 1, 2026.
