6 AS INTRODUCED

7 An Act relating to technology; defining terms;  
8 directing deployers to ensure artificial intelligence  
9 (AI) chatbots with human-like features are not made  
10 available to minors; requiring age certification  
11 systems; permitting alternative version of chatbot  
12 for minors; directing deployers of AI companions to  
13 make sure they are not made available to minors;  
providing exemption criteria; directing deployers to  
implement and maintain systems to prioritize safety  
and well-being of users; permitting deployers to only  
collect information in trusting party's best  
interests; establishing civil penalties; providing  
for codification; and providing an effective date.

16 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

17 SECTION 1. NEW LAW A new section of law to be codified

18 in the Oklahoma Statutes as Section 10 of Title 75A, unless there is  
19 created a duplication in numbering, reads as follows:

20 As used in this act:

21 1. "Chatbot" means AI with which users can interact by or  
22 through an interface that approximates or simulates conversation  
23 through a text, audio, or visual medium;

1       2. "Deployer" means any person, partnership, state or local  
2 governmental agency, corporation, or developer that operates or  
3 distributes a chatbot;

4       3. "Design features" means any aspect of an AI system that has  
5 certain patterns or physical properties that are presented towards a  
6 user;

7       4. "Emergency situation" means a situation where a user  
8 engaging with a chatbot indicates that they intend to either commit  
9 harm to themselves or commit harm to others;

10      5. "Human-like feature" means a generative artificial  
11 intelligence system (AI) that does any of the following:

12       a. behaves in a way that would lead a reasonable person  
13            to believe the AI is conveying that it has humanity,  
14            sentience, emotions, or desires. This includes, but  
15            is not limited to:

16        (1) stating or suggesting that it is human or  
17            sentient,  
18        (2) stating or suggesting emotions, or  
19        (3) stating or suggesting it has personal desires.

20       This does not include:

21        (1) functional evaluations, or  
22        (2) generic social formalities,

23       b. seeks to build or engage in an emotional relationship  
24            with the user. This includes, but is not limited to:

- (1) expressing or inviting emotional attachment,
- (2) reminding, prompting, or nudging the user to return for emotional support or companionship,
- (3) depicting nonverbal forms of emotional support,
- (4) behaving in a way that a reasonable user would consider excessive praise designed to foster emotional attachment or otherwise gain advantage,  
or
- (5) enabling or purporting to enable increased intimacy based on engagement or pay.

This does not include:

- (1) offering generic encouragement that does not create an ongoing bond, or
- (2) asking if a user needs further help or support in a neutral, nonemotional context, and impersonates a real person, living or dead;

6. "Minor" means a person who is under the age of eighteen

(18);

7. "Social AI companion" means AI that is specifically designed, marketed, or optimized to form ongoing social or emotional bonds with users, whether or not such systems also provide information, complete tasks, or assist with specific functions;

8. "Therapy chatbot" means any chatbot modified or designed for a primary purpose of providing mental health support,

1 counseling, or therapeutic intervention through the diagnosis,  
2 treatment, mitigation, or prevention of mental health conditions;  
3 and

4 9. "User" means a person who interacts with AI.

5 SECTION 2. NEW LAW A new section of law to be codified  
6 in the Oklahoma Statutes as Section 11 of Title 75A, unless there is  
7 created a duplication in numbering, reads as follows:

8 A. Each deployer:

9 1. Shall ensure that any artificial intelligence (AI) chatbot  
10 operated or distributed by the deployer that has human-like features  
11 is not made available to minors to use, interact with, purchase, or  
12 converse with;

13 2. Shall implement reasonable age certification systems to  
14 ensure that AI chatbots with human-like features are not provisioned  
15 to minors; and

16 3. May, if reasonable, given the purpose of the chatbot,  
17 provide an alternative version of the chatbot without human-like  
18 features available to minors and nonverified users.

19 B. Deployers operating AI that primarily function as companions  
20 shall:

21 1. Ensure that any such chatbots operated or distributed by the  
22 deployer are not available to minors to use, interact with,  
23 purchase, or converse with; and

1       2. Implement reasonable age verification systems to ensure that  
2 such chatbots are not provisioned to minors.

3       C. Exempted from this section, and may be made available to  
4 minors, are therapeutic chatbots that meet all of the following  
5 requirements:

6       1. The chatbot provides a clear and conspicuous disclaimer at  
7 the beginning of each individual interaction that it is AI and not a  
8 licensed mental health professional;

9       2. The chatbot is not marketed or designated as a substitute  
10 for a human mental health professional;

11       3. A licensed mental health professional, such as a clinical  
12 psychologist, assesses a user's suitability and prescribes the tool  
13 as part of a comprehensive treatment plan and monitors its use and  
14 impact;

15       4. Developers provide robust, independent, peer-reviewed  
16 clinical trial data demonstrating both the safety and efficacy of  
17 the tool for specific conditions and populations; and

18       5. The system's functions, limitations, and data privacy  
19 policies are transparent to both the licensed mental health  
20 professional and the user with clear lines of accountability that  
21 are established for any harms caused by the system.

22       SECTION 3.       NEW LAW       A new section of law to be codified  
23 in the Oklahoma Statutes as Section 12 of Title 75A, unless there is  
24 created a duplication in numbering, reads as follows:

1           A. Deployers shall implement and maintain reasonably effective  
2 systems to detect, promptly respond to, report, and mitigate  
3 emergency situations in a manner that prioritizes the safety and  
4 well-being of users over the deployer's other interests.

5           B. Deployers shall collect and store only that information  
6 which does not conflict with a trusting party's best interests.

7 Such information must be:

8           1. Adequate, in the sense that it is sufficient to fulfill a  
9 legitimate purpose of the deployer;

10           2. Relevant, in the sense that the information has a relevant  
11 link to that legitimate purpose; and

12           3. Necessary, in the sense that it is the minimum amount of  
13 information which is needed for that legitimate purpose.

14           SECTION 4.        NEW LAW        A new section of law to be codified  
15 in the Oklahoma Statutes as Section 13 of Title 75A, unless there is  
16 created a duplication in numbering, reads as follows:

17           A. Any business or person that violates this act shall be  
18 subject to an injunction and surrender of any unjust gains due to  
19 violation of this act, and shall be liable for a civil penalty of  
20 not more than Two Thousand Five Hundred Dollars (\$2,500.00) for each  
21 violation or Seven Thousand Five Hundred Dollars (\$7,500.00) for  
22 each intentional violation, which shall be assessed and recovered in  
23 a civil action brought by the Attorney General.

24

1       B. Any minor who uses an artificial intelligence (AI) chatbot  
2 that does not comply with the terms of this act, or a parent or  
3 guardian acting on their behalf, may institute a civil action on  
4 their own, or on a class-wide basis, to recover damages in an amount  
5 not less than One Hundred Dollars (\$100.00) and not greater than  
6 Seven Hundred Fifty Dollars (\$750.00) per user, per incident, or  
7 actual damages, whichever is greater, and to obtain injunctive or  
8 declaratory relief.

9           SECTION 5. This act shall become effective November 1, 2026.
