14 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

15 SECTION 1. AMENDATORY 22 O.S. 2021, Section 60.17, is
16 amended to read as follows:

17 Section 60.17. A. The court shall consider the safety of any
18 and all alleged victims of domestic violence, stalking, harassment,
19 sexual assault, or forcible sodomy where the defendant is alleged to
20 have violated a protective order, committed domestic assault and
21 battery, stalked, sexually assaulted, or forcibly sodomized the
22 alleged victim or victims prior to the release of the alleged
23 defendant from custody on bond. The court, after consideration and
24 to ensure the safety of the alleged victim or victims, may issue an

1 emergency protective order pursuant to the Protection from Domestic
2 Abuse Act. The court may also issue to the alleged victim or
3 victims an order restraining the alleged defendant from any activity
4 or action from which they may be restrained under the Protection
5 from Domestic Abuse Act. The court shall not consider a "no contact
6 order as condition of bond" as a factor when determining whether the
7 petitioner is eligible for relief. The protective order shall
8 remain in effect until either a plea has been accepted, sentencing
9 has occurred in the case, the case has been dismissed, or until
10 further order of the court dismissing the protective order. In
11 conjunction with any protective order or restraining order
12 authorized by this section, the court may order the defendant to use
13 an active, real-time, twenty-four-hour Global Positioning System
14 (GPS) monitoring device for such term as the court deems
15 appropriate. Upon application of the victim, the court may
16 authorize the victim to monitor the location of the defendant. Such
17 monitoring by the victim shall be limited to the ability of the
18 victim to make computer or cellular inquiries to determine if the
19 defendant is within a specified distance of locations, excluding the
20 residence or workplace of the defendant, or to receive a computer-
21 or a cellular-generated signal if the defendant comes within a
22 specified distance of the victim. The court shall conduct an annual
23 review of the monitoring order to determine if such order to monitor
24 the location of the defendant is still necessary. Before the court

1 orders the use of a GPS device, the court shall find that the
2 defendant has a history that demonstrates an intent to commit
3 violence against the victim, including, but not limited to, prior
4 conviction for an offense under the Protection from Domestic Abuse
5 Act or any other violent offense, or any other evidence that shows
6 by a preponderance of the evidence that the defendant is likely to
7 commit violence against the victim. The court may further order the
8 defendant to pay costs and expenses related to the GPS device and
9 monitoring.

10 B. 1. Any defendant charged with domestic abuse by
11 strangulation, domestic abuse with a dangerous or deadly weapon, or
12 domestic abuse after a previous adjudication for domestic abuse
13 shall not be released on bail without a GPS monitoring device
14 attached to the defendant. The cost of the monitoring device shall
15 be paid by the defendant at his or her own expense until the
16 conclusion of the criminal case. The Department of Corrections
17 shall monitor such GPS monitoring device and the defendant until the
18 conclusion of the case, and the defendant shall pay a supervision
19 fee as provided for other persons subject to supervision by the
20 Department. At the conclusion of the case, the court shall order
21 the removal of the GPS monitoring device if the defendant is
22 acquitted, is to be incarcerated, or the case is dismissed.

23 2. Upon application of the victim, the court may authorize the
24 victim to monitor the location of the defendant. Monitoring by the

victim shall be limited to the ability of the victim to make computer or cellular inquiries to determine if the defendant is within a specified distance of locations, excluding the residence or workplace of the defendant, or to receive a computer- or cellular-generated signal if the defendant comes within a specified distance of the victim.

SECTION 2. This act shall become effective November 1, 2026.
