

STATE OF OKLAHOMA

1st Session of the 60th Legislature (2025)

SENATE BILL 612

By: Boren

AS INTRODUCED

An Act relating to public utilities; requiring public utilities to develop energy security plan; specifying plan contents; providing for codification; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 158 of Title 17, unless there is created a duplication in numbering, reads as follows:

A. Any public utility, as defined pursuant to Section 151 of Title 17 of the Oklahoma Statutes, shall maintain an energy security plan to provide guidance and oversight to maintain a reliable and resilient supply of energy. The plan shall:

1. Identify, assess, and develop preparations for responding to and recovering from events that disrupt energy supply; and

2. Include measures to notify the public of potential energy disruptions and methods the public may adopt to reduce the likelihood of realized disruptions.

1 B. Public utilities shall update the energy security plan at
2 least annually and shall publish the plan on a publicly available
3 website.

4 SECTION 2. This act shall become effective November 1, 2025.
